Didgeridoo DOWN UNDER

**August 9th, Noon to 1 pm
Main Library - 1716 3rd, Tillamook**

DDU is a high-energy, Australia-themed show that combines music, culture, puppetry, comedy, character building, storytelling and audience participation.

The didgeridoo, usually a hollow tree trunk, has been played by Aboriginal Australians for at least 1,500 years, and is known for its otherworldly sound. But DDU is much more than music.

It's interactive, educational, motivational and super fun – *perfect for kids and families.*
