 FOR
E. T. BURKE
 SEC 35, T15, R10W, W.M.
 Scale 1"=100' Nov. 1914
 G. J. Poycky Dep. Co. 5.
 Book 53 - P 446

SURVEYOR'S CERTIFICATE:-
 I hereby certify that pursuant to a notice from Ed. Burke of Tillamook, owner of a 15 Acre tract in Sec. 35, T. 15, R. 10W, W.M. to permanently establish the corners and boundaries of said land, I served notice on H.L. Fowler and E. Benschaid, owning land adjoining on the East and West, of the land of Ed. Burke, that I would begin and make a survey of said lines and corners on Nov. 23, 1914. On said date I commenced the survey of said lands, taking as chaincarrier F.W. Barrett, and to permanently establish said lines and corners, I surveyed the East line of Sec. 35, T. 15, R. 10W, W.M., commencing at the M.C. 495 Southwest Cor. to Secs. 25, 26, 35 & 36, running thence South to the 1/4 Sec. cor bet Secs. 35 & 36, which I identified as the original Government cor. I then proceeded to survey the land of H.L. Fowler, establishing the N.W. Corner of the land of H.L. Fowler, and running thence South 0° 27' E. parallel to the section line along the line between lands of said H.L. Fowler and Ed. Burke. I then established the N.W. corner of land of Ed. Burke, and ran the line between lands of Ed. Burke and E. Benschaid parallel to said section line, as shown on page of said survey map attached, and which is a correct map of said survey.

G. J. Poycky
