

TILLAMOOK COUNTY SURVEYORS OFFICE
COURTHOUSE, TILLAMOOK, OREGON 97141

E 1/16 CORNER SECTIONS 5 & 8 T.5S., R.10W., W.M.
(Government Lot Corner 35 & 34 Section 5)
(Government Lot Corner 3 & 2 Section 8)

not stamped I found a 6"X 8"X 20" stone marked with an X, (see T.C.S. map #B-1460). I set a 1 1/2"X 36" iron pipe with a 3" Tillamook County Surveyors Brass Cap top approximately 6" below the surface in an irregular mass of concrete S.86°35'W. 26.91' of the found stone for a Witness Corner.

History of found monument

This corner originally was a post with charred stake, in mound of earth with pits set by J.W. Meldrum under contract #166 dated January 10, 1872. Andrew M. Austin in T.C.S. Book "S3" at Page 402 dated May 21 & 22, 1902 reestablished the corner midway between the section corner and the 1/4 corner by setting a 6"X 8"X 20" stone marked "X". This stone was found by Douglas H. Kellow PLS 2027 on T.C.S. map B-1460 dated October 16, 1990 very close to the proportion position and was accepted as the 1/16 corner.

I set this witness corner in to preserve the location of this corner before the construction of a ditch line planned to go north and south along the 1/16 line.

Basis of Bearings for the above bearing is from the found stone marked "X" at the said 1/16 to the T.C.S. Brass Cap at the CE 1/16 corner (SE Corner Government lot 14) = S.0°08'44"E. the value shown on T.C.S. Map #B-1460.

New Accessories

*72" light hat section post N.3°10"E. 139.15'.

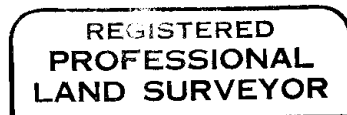

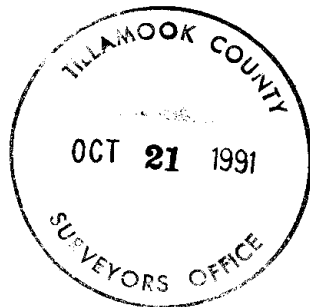

Location of Monument

This corner is located approximately 27' West of an N-S fence line, soon to be a ditch, and 140 South of the toe of a dike on the south side the Little Nestucca River.

In the presence of Al Dvorak and Dan McNutt

July 24, 1991
