Previous Rewitnesses, Restorations and Surveys, etc.: Original by Albert P. Wilson, October 21, 1891. See Rewitness Book 7, Page 199, Tillamook County Survey Records.		
Found Monument(s) and Accessories (Condition & Source): Found a 3" diameter Oregon State Board of Forestry brass cap and pipe in good condition and stamped as shown hereon. Found three bearing trees set in 1994 as described in Rewitness Book 7, Page 199 with healed faces at record positions. The 15" Douglas Fir tree at the record bearing and distance of South 20' West 36.1 feet is now gone. The position of the tree falls in the road. Found the original 50" Fir (now a 48" diameter x 3' tall badly rotted stump) with scribed 'B' still visible at record position. The original 50" diameter Hemlock tree is now gone. The 4" x 4" x 60" white painted Cedar post was found rotten on the ground.		
Monument Set (Procedures and Description): Not applicable.	Sketch of found Monument: 	
Other new accessories set: Set a 72" hat section post with yellow metal location tag East 1.9'. We also placed a 12" diameter plastic cylinder around the found monument. The plastic cylinder was filled with concrete.		
New Bearing Trees: No new bearing trees were marked.		
Location & Comments: This corner is located approximately 50' North of an existing road that runs East-West along a sharp ridge top.		
Firm / Agency Address: TILLAMOOK COUNTY SURVEYOR'S OFFICE		SURVEYOR'S SEAL  <i>Danny R. McNutt</i>
Party Chief: Joe Jensen, PLS 60067, Survey Supervisor		
Notes:		
Witness: Danny R. McNutt, PLS 49230, Tillamook County Surveyor
