

OREGON PUBLIC LAND CORNER REPORT / RESTORATION REPORT
Tillamook County Surveyor's Office

SECTION: 14	TOWNSHIP 4 South	RANGE 7 West
COUNTY: Tillamook		DATE: 10-4-11
CORNER DESIGNATION: The Quarter Corner common to Sections 14 and 23, T. 4 S., R. 7 W., W.M.		(Please check one)
		<input type="checkbox"/> Condition Report Only
		<input checked="" type="checkbox"/> Restoration
		<input type="checkbox"/> Rewitness
		<input type="checkbox"/> Unrecorded
		<input type="checkbox"/> Reset at surface
Previous Rewitnesses, Restorations and Surveys, etc: BLM Field Notes Volume: OR-R0118 Page 782, (GLO Book 4S7 Page 6) (1873), Map A-1614 (1968), Tillamook County Survey Records.		
Found Monument(s) and Accessories (Condition & Source): Found the original stone approximately 16" x 12" x 12" marked 1/4 on bottom. Stone is lying down and loose, it has apparently rolled downhill, out of position. We remonumented the position with a Tillamook County Brass Cap using the found bearing trees from Map A-1614 (1968) and set the original stone beside. (Map A-1614) – Found 25" dia. Fir (was 14") (bears N 10° W 20.3') with healed scar and yellow metal location tags. (Map A-1614) – Found 18" dia. Fir (was 8") bearing S 23° E (S 20° E) (9.4') with healed scar and yellow metal location tags. () Indicates record information, Tillamook County Survey Records.		
Monument Set (Procedures and Description): We sawed out the healed scars of the found bearing trees to expose the face scribed in 1968. Set an aluminum nail and washer marked, "Till. Co. Surveyor" in the scribed faces for reference to re-position monument. Using Survey A-1614 we verified accessories at other corners to find Leo Martin's record distances to be to the center of the tree. Adding the record radius to our found face distances we calculated a distance/distance intersection for position. The solution also fits record angle structure well.	Sketch of Set Monument: 	
New Accessories set: Set 120 lbs. of concrete in a 12" diameter cylinder around set monument. Set 72" hat section post with a yellow metal location tag, South 3.0' from monument.		
New Bearing Trees Marked: *19" dia. D. Fir bears N 55° E 12.4', scribed "T4SR7W1/4S14BT", tagged and painted. *12" dia. D. Fir bears S 46° W 39.4', scribed "T4SR7W1/4S23BT", tagged and painted. * Indicates an aluminum nail with washer marked, "Till. Co. Surveyor" in the face of the blaze between the scribed "B" and "T". Also, a yellow metal location tag affixed in an upper blaze.		
Location & Comments: Monument is located approx. 25' East of Logging Road 4-7-15.1.		
Firm / Agency Address: TILLAMOOK COUNTY SURVEYOR'S OFFICE 201 Laurel Avenue Tillamook, Oregon 97141		SURVEYOR'S SEAL
Party Chief: Joe Jensen, P.L.S. 60067, Deputy County Surveyor
