MC
1991

I found a 3/4" iron pipe with a plug and tack 1' deep in a 4" diameter protection pipe approximately 1' North of the North rail of the P.O.T.B. Rail Road. I set a 3" Tillamook County Surveyors Brass Cap on a 5/8"X 12" iron rod over the found I.P. and filled the 4" protector pipe, (top flush with the ground surface), with concrete.

History of found monument

I found this monument to be as described in said T.C.S. Map #B-1531 and the rest of the more recent maps listed below.

New Accessories

*72" light hat section post South 25.4'.

*indicates Tillamook County Surveyors yellow metal location poster attached.
