IMPORTANT NOTICE:

Effective Wednesday, January 01, 2014, HB 2093 amends Oregon Revised Statute 432.124 and prohibits Oregon County Clerks from recording certified copies of death certificates if the Death Certificate contains medical information related to the cause of death. Most short form Death Certificates do not include this medical information.

Certified copies of Death Certificates are recorded in conjunction with owning or having a claim or interest in land and will be rejected and returned unrecorded if the certified copy has been altered or if the Death Certificate contains medical information related to the cause of death.
