I hereby appeal the Judgment of the Justice Court in this matter. In the Justice Court, I was the Defendant. A Justice Court Transcript with a copy of the Judgment is attached to this Notice of Appeal (\$9.00 fee payable to Tillamook County Justice Court).

The type of case being appealed is: **Traffic or other Violation** (\$281 filing fee payable to the Circuit Court).

For the trial in Circuit Court, I expect the length of the trial to be _____ hours.

By filing this Notice of Appeal, I understand that this does not stay the Justice Court Judgment. That Judgment remains in effect until the Circuit Court enters a Judgment or decides to stay the Justice Court Judgment pending a Circuit Court decision on the appeal.

I am enclosing \$_____ as my filing fee to the Circuit Court, payable to the Tillamook County Circuit Court. I understand that this money may not be refunded or otherwise returned to me. My Notice of Appeal is filed within the time limits provided by the law for an appeal.

If I am choosing to pay the Justice Court fine in this matter, I ask that it be held as bail and have the Justice Court transmit those funds to the Circuit Court, which will then hold the money as bail.
