Now let's dive into everything you need to know about Summer Reading and more!

Summer Reading Overview

Summer Reading, here we come!

The theme this year is: Read, Renew, Repeat!

Everyone is eligible to sign up! We have three programs:

- Ages 0-11 will sign up for the Children's program. (Note: if your child is going into 6th grade, they will sign up for the Teen program.)
- Ages 11-19 will sign up for the Teen program.
- Ages 20 and older will sign up for the Adult program.

Summer Reading will begin on Monday, June 10th and end on Saturday, August 3rd. The last day to sign up for a summer reading program will be Saturday, July 13th.

All books (Adult's), reading minutes (Teen's) and activities (Children's) must be entered into [Beanstack](#) by 4:59pm on Saturday, August 3rd. If you're not using Beanstack, make sure to visit or call any of the Tillamook County Library branches before 4:30pm on August 3rd. August 3rd is also the last day to be entered into the grand prize drawings for Teens and Adults, and the last day to earn prizes and a party invitation for Children.

Worried about remembering all the times and dates in this newsletter? Never fear! We will be posting about all of our programs on social media, our website, and here in the newsletter throughout the summer.

And finally, make sure to join us for Grub Club free summer lunch at the Tillamook Main Library, June 10th through August 30th at 11:30am. Children up to age 18 are eligible. No questions asked!

Summer Reading for Children

Are you ready to jump into a good book? Here is what we have planned for kids 0 to 11!

On June 10th, open up the Summer Reading packet your child received at school or from the Bookmobile. If your child is homeschooled, younger than 5, or didn't receive a sign-up packet, stop by any Tillamook County Library branch to pick one up. These packets include a BINGO activity sheet, general instructions on how to complete each activity, and all the needed components to complete the program. Also included is a schedule of our summer programs for kids. Make sure to find and fill out the registration card in the packet and return it to your local library branch. Once the registration card is returned, your child will get to choose a free book!

To participate in Summer Reading, help your children complete the activities on their BINGO sheet. If your family is unable to complete an activity, you can check off that BINGO square by reading: 30 minutes (ages 7-11) or 3 books (ages 0-6).

Children can choose prizes as they complete BINGO rows and columns, or they can hold onto their sheets and choose prizes all at once at Prize-A-Palooza on Friday, August 2nd and on Saturday, August 3rd. With a completed BINGO sheet, at Prize-A-Palooza you can earn a total of 5 free books, 5 treasure chest choices, a free t-shirt, a goody bag (Prize-A-Palooza only), and an invitation to the End-of-Summer-Reading Party at the Tillamook Main Library on Saturday, August 17th, with guest star Mo Phillips and his band! At the End-of-Summer-Reading Party we'll have pizza, cake and lots of chances for prizes!

Are you travelling this summer and can't make it to Prize-A-Palooza? You can pick up any prizes you have earned until Friday, August 16th or while supplies last.

Every Wednesday at the Tillamook Main Library we will be showing movies at 12:00pm. We will be sitting on the floor, so feel free to bring pillows and we'll bring the snacks!

Every Thursday at the Tillamook Main Library, we will be hosting a variety of performances at 2:00pm. Performances at the Tillamook County Library branches will vary, please check the schedule below. Please note: all Tillamook County Libraries will be closed Thursday, July 4th, so the performance at the Tillamook Main Library that week will be on Wednesday, July 3rd at 2:00pm after the movie.

Along with all of these great programs, each week there will also be a new take-home craft activity for ages 2-6 and 7-11 available at all Tillamook County Library branches.

New Arrivals in Nonfiction

[The Jazzmen: how Duke Ellington, Louis Armstrong, and Count Basie transformed America](#)

Larry Tye

This is the story of three revolutionary American musicians, the maestro jazzmen who orchestrated the chords that throb at the soul of twentieth-century America. Duke Ellington, the grandson of slaves who was christened Edward Kennedy Ellington, was a man whose story is as layered and nuanced as his name suggests and whose music transcended category. Louis Daniel Armstrong was born in a New Orleans slum so tough it was called The Battlefield and, at age seven, got his first musical instrument, a ten-cent tin horn that drew buyers to his rag-peddling wagon and set him on the road to elevating jazz into a pulsating force for spontaneity and freedom. William James Basie, too, grew up in a world unfamiliar to white fans--the son of a coachman and laundress who dreamed of escaping every time the traveling carnival swept into town, and who finally engineered his getaway with help from Fats Waller. What is far less known about these groundbreakers is that they were bound not just by their music or even the discrimination that they, like nearly all Black performers of their day, routinely encountered. Each defied and ultimately overcame racial boundaries by opening America's eyes and souls to the magnificence of their music. In the process they wrote the soundtrack for the civil rights movement.

[Ink & Wash in the Garden: watercolor & ink birds, insects, wildlife & more](#)

Celebrate the beautiful world of backyard birds, butterflies, bumblebees and more with captivating ink and wash designs by artist and educator Camilla Damsbo Brix. With her detailed step-by-step tutorials and progress photos, Camilla makes capturing the beauty of your garden as easy as can be. In these 25 compositions, you'll master Camilla's loose, impressionist style of expressive lines and brilliant washes--the perfect way to impressively portray the essence of your subject without hours of work. Detail the fine lines of a majestic, red-washed cardinal on his nest. Sketch a striking dragonfly with bold markings and wind-ready wings, then fill it in with drips of bright phthalo blue and burnt umber. Capture a hungry hummingbird with playful water droplets and vibrant colors. Or put it all together with Camilla's garden staples (everything from a rustic picket fence to a blooming butterfly bush) to create a bountiful backyard scene! No matter your skill level, you will love expanding your artistic repertoire of techniques and creating these vibrant ink and wash masterpieces. Enter an elegant garden world brought effortlessly to life with the magic of simple linework and watercolor.

[Amphibious Soul: finding the wild in a tame world](#)

Craig Foster

In this thrilling memoir of a life spent exploring the most incredible places on Earth—from the Great African Seaforest to the crocodile lairs of the Okavango Delta—Craig Foster reveals how we can attend to the earthly beauty around us and deepen our love for all living things, whether we make our homes in the country, the city, or anywhere in between. Foster explores his struggles to remain present to life when a disconnection from nature and the demands of his professional life begin to deaden his senses. And his own reliance on nature's rejuvenating spiritual power is put to the test when catastrophe strikes close to home. Foster's lyrical, riveting *Amphibious Soul* draws on his decades of daily ocean dives, wisdom from Indigenous teachers, and leading-edge science.
