

BEFORE THE BOARD OF COUNTY COMMISSIONERS
FOR TILLAMOOK COUNTY, OREGON

In the Matter of Adjusting Certain Fees at) ORDER
Tillamook County Campgrounds) #25- 001
)

This matter came before the Tillamook County Board of Commissioners on January 8, 2024, at the request of Dan Keyes, Director, Parks Department. The Board of Commissioners, being fully apprised of the representations of the above-named person, and records and files herein, finds as follows:

1. The current fee schedule set forth in Order #18-092 needs to be revised due to the record number of visitations, as well as the impacts of rising costs and inflation. For example, utility costs have increased by as much as 50% over the last year while certain fees have remained the same. The last campground base fee increase occurred in 2018.
2. The fee adjustment set forth in this order includes State and local lodging taxes, and accounts for a reservation transaction fee.
3. The Parks Department desires to adjust the annual day use access pass valid term from a calendar year term to a term that is one year from the date of the pass purchase.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT effective on February 1, 2025:

4. The fee adjustments and annual day use access pass term shall be revised for the Tillamook County Parks Department as set forth in the attached Exhibit A, which is incorporated herein by reference and are hereby adopted.
5. This order supersedes all prior orders relating to the Tillamook County Parks Department fees for the use of campgrounds.
6. This order further supersedes the provisions of Order 20-051 relating to the term of the annual day use access pass.
7. This order will become effective February 1, 2025.
