## Cape Meares Road Relocation

### Construction Activities & Upcoming Work

MSE Wall construction made significant progress this week. The first two courses of MSE Wall No. 2 have been completed and work on the third course has begun. This MSE Wall will be composed of 11 courses at its highest point. There will continue to be increased truck traffic between the south project entrance and the adjacent Lighthouse Quarry in the coming weeks due to MSE Wall construction.

#### ROAD CLOSURES

Current road closure points will remain in effect on Bayocean Road near the Cape Meares Lighthouse, and approximately 0.5 miles south of the Lighthouse. Construction will have minimal impact on public traffic as it is closed to through traffic. Please be advised that project limits are outside the gate on Cape Meares Loop coming south from Bayocean Road. See map on the following page for areas not accessible to the public.

Project Number:  
OR TILLAMOOK B780  
(1)
