

## Dog retrieval process for TK9 Rescue

Tillamook K9 Rescue is the main provider to assist Law Enforcement with dogs obtained during an arrest for holding. Following your arrest, we received a dog(s) into our care. Below is the procedure for pick up upon your release, or should you appoint someone to pick up your dog(s).

All dogs brought into our care must comply with ORS 433.365 and have a current rabies certificate, as well as pay all fees for impound, intake and boarding, if this is not done within 7 days, we will exercise our rights according to ORS 433.385 and will rehome or transfer to an appropriate rescue.

If you do NOT have a current rabies vaccination, you are required to acquire a pre-paid appointment at your veterinarian's office, the below are two in Tillamook where this can be done. We do NOT take expired rabies nor rabies tags, as proof, you must provide documentation from a veterinarian's office of current rabies. You will need to provide proof of rabies prior to scheduling appointment for pick up.

- Pioneer Veterinary Hospital – 801 Main Ave, Tillamook 503-842-8411
- Tillamook Veterinary Hospital – 1095 Main Ave, Tillamook 503-842-7552

At present our fees are as follows: \$55 Impound Fee and \$10 per day Boarding Fee for each additional day following intake. Impound Fees increase if we have previously impounded your dog. Should your dog require vet care, you will also be required to pay for that prior to release. TK9R accepts PayPal, credit card, cash ONLY.

We are not open to the public and you or someone you appoint will need to call in advance and arrange an appointment for pick up. Also note that if you or your representative come onto our private property without an appointment, this will be reported as a trespass.
